### The News.

The *Atlantic*, with later dates from Europe, arrived at New York yesterday. A synopsis of the news will be found under the telegraph head. There is nothing decisive from India. Breadstuffs were quiet and rather lower, and the money market more stringent.

The intelligence from New York, Boston, &c., continues to wear a very gloomy aspect. Prices for produce are on the decline; stocks of all kinds are still falling; Bank suspensions and commercial failures are of daily occurrence; and the end is not yet.

Various items of interest, from different parts of the country, will be found in the telegraph column.

ELECTIONS TO-DAY.—Ohio, Iowa and Minnesota hold their elections to-day. In all three, State Officers and Members of the Legislature are to be chosen. We have strong hopes that the Republicans will give a good account of themselves in these local skirmishes, though the Pro-Slavery party are making unusual efforts to carry the day.

Pennsylvania also holds her State election to-day, but we do not yet look for a Republican triumph in that quarter.

### Judge Doolittle's Appointments.

We regret to learn, by letter from Racine, that Judge DOOLITTLE is confined to his house by sickness and will hardly be able to get out again for three or four days. This will necessarily prevent him from keeping one or two of his appointments to address political meetings during the present week. We trust that our Republican friends at those points which Judge DOOLITTLE is thus unexpectedly debarred from visiting, will endeavor to supply his place with other speakers.

DEATH OF MR. C. D. COOKE.—A telegraphic dispatch was received here yesterday announcing the death of Mr. C. D. COOKE, one of our prominent citizens, Vice-President of the Bank of Milwaukee, and a well-known and successful Rail Road contractor. Mr. COOKE has been in failing health for a year past, and left here some weeks since, for his old home in Vermont, in the hope that change of air might check the progress of disease. The hope proved a vain one, and he died at the residence of his father yesterday morning.

Mr. COOKE was a useful, enterprising and public-spirited citizen. His death is a loss to our city, and a source of sincere regret to a large circle of attached friends.

FAILURE AND ASSIGNMENTS.—The New York *Independent* of the 8th inst., publishes a list of 124 failures and assignments for the preceding week. The heaviest of these have already been published in our columns. The list of Boston failures reaches the unprecedented number of 21 in a single week. The failures announced in N. Y. city reach the great number of *forty-eight*.—Philadelphia failures number eight, Illinois six, Ohio five, Missouri and Kentucky four each, and Wisconsin two.

RAILROAD RECEIPTS.—The Fond du Lac *Journal* gives the following as the receipts of the Chi., St. Paul & Fond du Lac R. R. northern division, for September:

| | |
|---|---|
| Passengers | $4,446,34 |
| Freight | 6,841,05 |
| Express, Mail and Miscl's | 832,64 |
| Total | $12,119,93 |

LIVERY STABLE.—See the advertisement of BUTLER & POST in to-day's paper. They keep the best of teams and vehicles, and are painstaking and accommodating men.

Correspondence of the Sentinel.

**Republican Nomination.**

M. D. ALVORD, Sec.

SUSPENSION OF HARPER AND BROTHERS, New York.—This extensive publishing house has gone down in the general crash. The New York *Herald*, of the 9th, says:

We understand that Messrs. Harper & Brothers, book-publishers, finding, in consequence of the disorganized state of the domestic exchanges, that they could not effect collections from their country customers without a ruinous loss, decided to-day to suspend payment until the internal commerce of the country, shall be again on such a footing that debts due in the distant cities can be made available at New York. We have reason to believe that the assets of the firm exceed its liabilities by upwards of a million of dollars.

## GREAT FIRE IN CHICAGO!

### LOSS, $100,000.

The Chicago papers of yesterday contain the particulars of a very destructive fire which occurred in that city on Sunday morning. Seventeen buildings, comprising half a block, were burned.

The fire broke out in an ally between Monroe and Adams street, running from State to Clark street. The list of losses is given by the *Tribune* as follows:

STATE STREET.

F. Parmelee, dwelling, owned by Mr. Hill.—Loss $1,500—insured $1,000.

A. Davis, dwelling, same owner. Loss $3,500—not insured.

— Gilmore, dwelling. Loss $6,500—insured $5,000.

J. H. Tiffany, dwelling—loss $7,000—insured $5,000.

W. H. Brooke, dwelling, loss $5,500—insured $1,500.

— Blinn, dwelling and drug store—loss $5,800—partially insured

Jewelry shop,—loss $1,000.

Dr. Hatch, dwelling and drug store—loss $3,000.

Western Hotel—loss $7,000—no insurance.

— Woodford, grocery,—loss $1,700.

ADAMS STREET

W. Mackie, painter—loss $1,500—insured $500.

New Jerusalem Church, damaged $6,000—insured $3,000.

— Snow, teacher—loss, $1,000.

Bullard & Wilcox, carpenters, loss $8,000—insured $1,000.

MONROE STREET.

— Davis, dwelling,—loss, $3,300—no insurance.

Two dwellings—loss $2,000.

Several stables—loss $1,000.

Barn of American Express Co.—loss $2,500—no insurance—horses saved.

The fire is ascribed to an incendiary.

IMPORTANT, IF TRUE.—The New York *Tribune* of Saturday, in its commercial column, says:

"One of the most pratical ways to make exchange on the East has been adopted by Messrs. Geo. Smith & Co., of Chicago, who have made an arrangement to purchase and ship 1,000,000 bushels of wheat to New York. They furnish all the funds for the purchase without aid from this end, and ship the wheat to Mr. Dean Richmond, of Buffalo, who engages to pay the freight and charges there. The wheat is to be sold upon arrival here for export, and will form a basis for about a million and a quarter of Eastern Exchange for the use of Chicago merchants."

PRODUCTS OF WINNEBAGO COUNTY.—We are indebted to W. M. Greenwood, Esq., the courteous and attentive Clerk of the Board of Supervisors for the aggregate of the products of Winnebago County, for 1856, according to the census, to which we affix an estimate of value:

| | | | | |
|---|---|---|---|---|
| Corn | 104,137 | bush | at $0,75— | 78,040,27 |
| Wheat | 175,654 | " | " 1,00 | 175,654,00 |
| Oats | 186,937 | " | " 0,50 | 93,468,50 |
| Potatoes | 58,598 | " | " 0,50 | 29,299,00 |
| Hay | 15,392 | tons | " 5,00 | 76,960,00 |
| Butter | 174,594 | lbs | " 0,20 | 34,918,80 |
| Cheese | 43,183 | " | " 0,12½ | 5,397,87 |
| Sugar | 10,485 | " | " 0,12½ | 1,310,62 |
| Wine | 36 | gall's | " 2,00 | 72,00 |
| Total estimated value | | | | $458,783,79 |

The number of horned cattle, including calves, on hand, is given at 10,823.

This is probably far short of the whole amount of the produce of the county, as the census is generally inaccurate and never over the actual amount. We have fixed the prices at which the crops would average at the place of growing—the price actually obtained in market was much higher. The number of horses is not given.—*Neenah Conservator.*

CLOSING OF WADSWORTH & CO'S BANKING HOUSE.—We regret to announce that the Banking House of Wadsworth & Co., suspended to-day. The members of this firm—Messrs. James & Strong Wadsworth—and have been long residents of this city, and are known to be men not only of strict integrity and busines capacity, but of extensive property. Their assets are largely in excess of liabilities—probably three to one—but in the present crisis unavailable. There can be no doubt that they will pay every dollar they owe. A little time will be required to convert their property.—*Chicago Journal of yesterday.*

SMASH-UP ON THE G. & C. U. R. R.—THREE MEN KILLED.—Intelligence reached this city on Saturday by telegraphic dispatch, that the eastward bound through freight train from Dunleith, ran off the track near Gilbert's Station, just west of the junction, killing the engineer, fireman, and a man who was riding on the engine. Up to a late hour on Saturday evening the names of the men killed, or the particulars of the accident had not come to hand in this city.

Owing to the obstruction of the track no train for Dunleith left this city on Saturday evening.—*Chicago Press, of yesterday.*

SAD FATALITY.—A little girl about seven years of age, daughter of Michael Danodie, was crushed to death, by the fall of a pile of lumber, at the Milwaukee lumber yard, near the depot in this city, on Thursday evening last. The body was not found until yesterday morning. It was supposed that in attempting to climb upon the lumber, (which consisted of heavy joists piled to the height of four or five feet only, near the road side,) she had pulled it over upon herself, and thus met with almost instant death.—*Madison Argus, Oct. 10.*

NEW ORGAN OF CHICAGO MANUFACTURE.—The first large organ of Chicago manufacture will be tried at the manufactory of Messrs. Wolfram & Hackbel, No. 2 Ohio street, at, 4 o'clock this (Sunday) afternoon. It was built for the Lutheran Church in Milwaukee. We learn that it is a fine instrument, and does much credit to the builders. —*Chicago Democrat.*

INDIAN PAYMENT.—The Indians at Red river were paid their annuities, by the agent, on Monday and Tuesday last. We learn that there was a large number present, also a score or more of traders and pedlars who did not get a chance to make much, for while the Indian took his money and went home, they took cold. This is pretty near as it should be.—*Bayfield Mercury*, 6th.

## CITY MATTERS.

### POLICE COURT, Oct. 12.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

DRUNK.—Edward Cunningham, Ann Richardson, John Grady, John Macintox, Charles Frich and James Gray, fined $1 each.

DRUNK AND DISORDERLY.—Charles Lincoln, fined $3; Edward Wells, Casmer Chotowan and John Hamilton, fined $5 each; William Rooney, William Dermis and L. Hadley, fined $15 each; John Maher, fined $10; John Delaney, fined $2; John Smith, fined $3.

DISORDERLY.—John Rosch and James Brown, fined $2 each; William Brown, fined $3.

ASSAULT AND BATTERY.—Mary Burke found not guilty.

A HUMAN BRUTE.—A fellow named J. F. Zulk was brought before Justice Walworth for inhumanly beating his wife, and sentenced to six months imprisonment in the county jail. Served him right.

The above is not a bad day's work for the police court. The "hard times" seem to have but little effect in checking the progress of intemperance and crime. The amount of the fines it will be seen is $90, and nearly all the penalties were imposed for drunkenness, and all of the offenders were either laboring men or mechanics. We cannot see how a poor man can afford to get drunk nowadays, when he is almost certain to be fined. It is too expensive a luxury.

### CIRCUIT COURT, OCT. 12.

HON. ARTHUR M'ARTHUR, PRESIDING.

State of Wisconsin vs. Wm. Henderson, indicted for rape.

The Jury, under direction of the Court, returned a verdict of not guilty, the witness on the part of the prosecution not appearing at the opening of the court this afternoon to conclude her examination, the court having waited a sufficient length of time, and also having waited at the commencement of the trial for the same witness one and a half hours.

State of Wisconsin vs. John C. Fury, indicted for larceny, trial proceeding.

MAMMOTH RADISH.—LEWIS FINCH, of Oak Creek, in this county, has deposited,—not upon our table exactly—but on the floor of our sanctum, a radish, weighing *fifteen* pounds!

SPRING STREET.—Yesterday afternoon we took a stroll up this beautiful street as far as Palmer's Addition. We were astonished at the vast improvements that have been made up this way within a few short months. Elegant residences—or to speak more properly, palaces—are going up on each side of the street with astonishing rapidity for the distance of a mile and a half at least. The street has been excellently graded, and good side-walks put down upon nearly the whole length, and for a considerable distance, we notice, the property owners have beautified it and enhanced the value of their property by planting handsome trees along the sides.

Among the most noticeable of the new buildings, is the magnificent dwelling of J. H. ROGERS, Esq. It is now almost completed, and we think when entirely finished, it must carry off the palm among the many elegant private buildings in our city. Situated as it is in a beautiful park, it is truly a palatial dwelling. There are numerous other beautiful residences going up on Spring St., so many that it would be too much of a task for us to mention them separately. It is pleasing to notice the substantial improvements that are going on in all parts of the city, and it speaks well for the enterprise and prosperity of our citizens.

THEATER.—There was quite a large attendance at the Metropolitan Theater, at Young's Hall, last night. We were unable to be there, but heard from many who were present that the performances were far superior to their Saturday nights entertainment, and seemed to be highly gratifying to the large audience. Mr. A. McFarland made his first appearance in the play of the Stranger, and was very flatteringly applauded. Mr. G. P. Farren, Mrs. Farren, and Miss Russell also made their first appearance, and we think they have established themselves as favorites already with our citizens. We have often heard these persons highly spoken of as actors and actresses of merit, and we don't doubt that they will confirm all that has been said in their praise. We hope that the public will continue to extend to them a liberal patronage.

THE CONCERT TO-NIGHT.—The promised Concert of Mr. WEINBERG comes off, at Young's Hall, *this* evening. He will be assisted by the Members of the Milwaukee Musical Society and the programme, which is full of gems, will be found in our advertising columns. Mr. WEINBERG is a superior artist, and as Milwaukee is his home our citizens should be proud to recognize and reward his merits. He has often contributed to their entertainment and now that he asks from some token of their good opinions and good will, ought to be greeted by a crowded house.

VALUABLE STONE QUARRY.—Mr. T. W. BAKER, who has valuable improvements on the Manitowoc river, about four miles from the city, has discovered an extensive quarry, whence can be obtained blocks of handsome dark colored stone, susceptible of a high polish. It is very similar to the stone from the Door Co. quarries, exhibited here two or three years ago. It is easily quarried, and lies in strata from four inches to a foot in thickness. We see no reason why it could not be introduced in our city to advantage.

WEATHER.—After a pleasant, warm Sunday, the clouds gathered thickly at night, and drenching rain came down till the small hours of yesterday morning. It will harm nothing that we know of, while it will freshen and invigorate the fall pasturage. Yesterday morning, the sun came out again, bright and clear, and bringing a return of our delightful fall weather. So far, we have not had frost enough in, or about the city to do any material harm.

"YOUNG AMERICA" GUN SQUAD.—Committees, or individuals, desirous of engaging the services of the "Young America" Gun Squad, to fire salutes, can always have their wishes promptly fulfilled by leaving word at the "Light Guard Saloon," kept by HARRY BINGHAM, on Huron Street. The squad are ready to fire for Democrats, as well as Republicans, and will turn out, at any time, on short notice.

A NEW BANK STARTED.—In consideration of the "hard times," MACK Brothers have opened a new Bank, under a "private charter," at 181 East Water street. Their advertisement explains the terms on which they do business. Those having paper money, or specie, which they are anxious to exchange for the best of Dry Goods, can find the greatest bargains at MACK Brothers.

HURRY UP.—The work of paving Erie-st. has moved very slowly for some weeks past. Just now it is at the worst place possible to stop at for the winter, the mud beyond it being up to the axles of a wagon. Hurry up, gentlemen; winter is at hand.

**A Great Wrong.**

MESSRS EDITORS:—I desire to call your attention to the particulars of a scandalous outrage, committed, yesterday, in the Circuit Court, upon the character of a witness, in the case of the State versus Geo. Theil, by the prisoner's counsel, Mr. Doran. The case was one of larceny. The defendant was detected in the act of taking nails from my premises, and my wife swore positively to the fact on his trial yesterday. In the face of this, and with no rebutting testimony offered, save the former good character of the defendant, he was acquitted, and my wife for her testimony, given to further the ends of justice, was overwhelmed with abuse, and loaded with the most opprobrious epithets, to such a degree that it was characterized by the District Attorney as the most outrageous assault that he had ever listened to, and that it was a disgrace to a civilized country. Is there no remedy for this? Are our wives, sisters and daughters to be treated in this manner, unprotected by the Court? A man can take care of himself, but when a lawyer (?) takes advantage of his position, to brow beat and malign the fair fame of a respectable female witness, should not the Court interfere to protect the witness, and rebuke the cowardly assailant? If not, and if this is *democratic* justice, it is high time that we should have a change.

THOS. TURTON.

Further reinforcements were looked for early in September, increasing the army to 15,000.—The assault was expected to take place on the 20th August

The accounts in regard to Gen. Havelock, and the position of affairs at Cawnpore, are conflicting. According to one statement, the General after marching a second time towards Lucknow, and defeating the enemy in two engagements, found the rebels strongly entrenched at Lucknow, and had to fall back upon Cawnpore, when reduced to only 900 followers. He was expecting an attack from the insurgents.

The Trieste correspondent of the London Morning Post, telegraphs that Gen. Neil had attacked a large force of the rebels near Cawnpore, and that Gen. Havelock had succeeded in reaching Lucknow, the garrison of which had been in a most precarious condition.

An officer reports that he saw the end of Nenah Sahib and Hanaj, who took to a boat on the Ganges, and were swamped.

**Lake, Oak Creek and Franklin Assembly District.**

A DEMOCRATIC REPUBLICAN Mass Convention will be held at the house of Thomas Cerres, in the town of Oak Creek, on Saturday, the 17th day of October, at 2 o'clock P. M., for the purpose of nominating a suitable candidate for the Legislature, to represent the Lake, Oak Creek, and Franklin Assembly District.

HAYDEN M. THOMPSON,
ASA HOWES,
O. ELLSWORTH,
District Committee.

## All Hail!—Free Kansas!

The Ballot has triumphed over the Bayonet. The Freeman's weapon has proved too potent for the Despot's sword. In spite of oppressive restrictions; in spite of one-sided judges; in spite of the most unfair and iniquitous apportionment; in spite of the disfranchisement of thousands of qualified electors; in spite of the presence, influence and *votes* of Federal Troops; in spite of the utmost efforts of the Slavery Propagandists, aided and abetted by the Federal Administration—in spite of all these obstacles, the good cause of FREE SOIL and FREE LABOR has triumphantly prevailed in Kansas. The telegraph brings us the glad tidings that the Republicans have elected their Delegate to Congress by several thousand majority, and have secured a decisive ascendancy in both branches of the Territorial Legislature. The PEOPLE of Kansas—that portion of them at least whom the "Border Ruffians" of Missouri and their Federal allies permitted to vote—have proclaimed through the Ballot Box that SLAVERY *does not and shall not exist in Kansas*, the Supreme Court of the United States and President BUCHANAN to the contrary notwithstanding. The appeal taken from the DRED SCOTT decision and the Presidential decree, *establishing Slavery in Kansas*, has been heard before that tribunal of last resort, THE PEOPLE, and they have *nullified* the decree and *reversed* the decision. All hail, then, to FREE KANSAS! Let us see if the *bogus* Constitutional Convention, which is shortly to meet in Kansas, or the National Democratic majority in the next Congress, will still persist, in spite of this popular expression, in the effort to foster Slavery upon Free Soil. And let us in WISCONSIN take care, at least, that our voice and vote are not wanting to back up our brethren in Kansas, in their glorious struggle for Freedom. Let our answering shout of Victory in November gladden them with the assurance that the Freemen of the North stand fast in the faith, and will maintain an unyielding front to the aggressions of Slavery.

## Randall and Cross in Milwaukee.

The *News* predicts that Judge RANDALL will be "nowhere in the race in this county," and that the majority for Mayor CROSS in this City will be greater than any candidate has ever received here. The *News* further asserts that the *Sentinel* knows that for every vote RANDALL receives from Democrats here, CROSS will obtain a dozen from Republicans. The prediction and assertion belong to the same piece, and are neither worthy of the slightest credit. Indeed they are only put forth forth for effect abroad. So desperate are the chances of the Barstow democracy, throughout the "rural districts," that it has become necessary to manufacture and circulate these stories of impossible majorities for CROSS in Milwaukee, in order to keep up the failing courage of the rank and file in the Country. It is the same game that the *News* tried on in this Congressional district, last fall. Mr. HADLEY, according to that vacacious organ, was going to get pretty much all the votes in this city and county. Republicans and Democrats were all going in for him. Judge POTTER would be "nowhere in the race," &c., &c. We held and expressed a very different opinion, and told our friends in the country to be of "good cheer," for Mr. HADLEY would certainly run behind his ticket in Milwaukee. And so he did, nearly three hundred.

We think that Mayor CROSS will fare even worse than his right-hand man, Alderman HADLEY, did. Instead of the 4,500 majority of last fall, we shall be greatly mistaken if Mr. CROSS receives 3,000. Indeed, good judges put his majority in Milwaukee next month at a very much lower figure. But we have no objections to his organs claiming four five, or even six thousand majority here. The higher they set their mark, the harder will our friends in the "Rural Districts" work to overtop it. Rock and Walworth will take care of Milwaukee, in any event, and leave us something handsome to offset against Washington.

ANOTHER "DESERTER" DEALT WITH.—The Janesville *Standard*, home organ of "the Forty," is kept exceedingly busy, about these days, in excommunicating such Democrats as refuse to train with the regular Barstow crowd. We published in our last its bull against Dr. HEINSCHMAN, and Mr. NOONAN. Here is its blast against Mayor BIRD, of Madison, who has had the audacity to come out, as an "independant Democratic" candidate, against Mr. PROUDFIT, the *regular* nominee:

Thus has Augustus A. Bird closed his political career. "He's a used up man;" and he will sleep many more nights "under the blue canopy of Heaven with nothing but the stars for lights, mother earth for a pillow, and a horse blanket for a covering," before he gets another office from the Democracy.

It is bad enough to read the Mayor out of the party, but it is adding "insult to injury" thus to ridicule his parts of speech. Evidently the Barstow men must be getting desperate, when they make game of such a Bird.

"A BAD RULE &c."—The *American*, affecting to deprecate the remarks in the *Sentinel* about the Mayor's financial mission East, says:

Nor do we think it is an evidence of fair play towards an absent official to pelt him behind his back.

Don't you? Well what excuse have you then for "pelting" Gov. BASHFORD "behind his back" these three weeks past—he being absent all the while?

## "What can the Matter Be?"

The Madison "Patriot" after beslavering the Editor of the "American" with praise and glowing adulation for six or eight months, has just now commenced abusing that gentleman.—*News.*

Only a "change of partners." The *News*, which has "just now" commenced "beslavering the editor of the *American* with praise and glowing adulation," for six or eight months abused him without stint.

NOMINATIONS.—JOSEPH WAGNER is the democratic candidate for Assembly in the North-East Assembly district of Fond du Lac Co.

## The Mayor's Mission East.

The *American* "follows copy" and repeats the nonsense of the *News* about the attacks in the *Sentinel* upon the City Credit, in connection with the Mayor's missing East. After adverting to the unfinished condition of the Harbor Improvement and the new School Houses and the necessity of raising the means to complete them, the *American* says:

These considerations prompted the hasty departure of Mr. CROSS to New York, and no sooner was his back turned on this city when a battery is opened, not so much upon him personally, as on our city government; old hints are grubbed up, innuendoes thrown out, immoderate tax lists cast up, &c., these going forth in a journal known as a leading one in Milwaukee, and reaching the East at a time when the Mayor is trying to negociate means to keep distress from the operatives and the contractors from ruin: such articles will not strengthen, but destroy our city credit.

Humbug! In the first place, the *News* commenced the discussion of these matters by travelling out of its way to assail Judge Randall. In the second place, we have indulged in no "innuendoes" and published no "immoderate tax-lists," but stated plain and undeniable facts. In the third place, if telling the truth about the City affairs will "destroy our city credit," the inference is unavoidable that it can only be sustained by false representations.

We have no idea that the Mayor can borrow money East, at the present juncture, on city securities, nor that anything our papers here can say about city affairs would help, or hinder him in this object. Indeed, in spite of the vehement protestations of the *American* and *News*, we give the Mayor credit of being too good a financier to indulge himself in any such unwarrantable expectation. And our conviction remains unchanged that the reason we gave for his sudden start East—*to-wit* a desire to escape from the party "leeches" here who were bleeding him to death—had quite as much to do with his going as the motive assigned by the *News*.

## How the Democratic Doctors Disagree.

An exchange points out a curious discrepancy between the language of Mr. Pierce and Mr. Buchanan, in relation to the employment of the U. S. Troops in Kansas. We place them side by side, for the convenience of comparison:

*Pres't Pierce in Dec. '56*

The President of the United States has not power to interpose in elections to see to their freedom, to canvass their votes, or to pass upon their legality in the territories any more than in the states. If he had such power the government might be republican in form, but it would be a MONARCHY IN FACT; and if he had undertaken to exercise it in the case of Kansas, he would have been justly subject to the charge of USURPATION, and violation of the dearest rights of the people of the United States."

*Pres't Buch'n, his Conn't Letter.*

"It is my imperative duty to employ the troops of the United States, should this become necessary, in defending the convention against violence whilst framing the constitution, and in protecting the "bona fide inhabitants," qualified to vote under the provisions of the instrument, in the free exercise of the right of suffrage, when it shall be submitted to them for their approbation or rejection."

There is, it is seen, a direct opposition between the two declarations. But, after all, the two Democratic Presidents are consistent in doing the work of Slavery. President Pierce excused himself *from* using the troops to protect the Kansas settlers, when they were few and feeble; and President Buchanan excuses himself *for* using the troops to try and overawe the settlers when they are strong, and, as the telegraph reports, to furnish voters for the Pro-Slavery Democracy.

However, if the gratifying news from Kansas be confirmed, the Free State men have triumphed over all the efforts and machinations of their enemies, including Buchanan, Walker, Stringfellow, and all the patent Democracy of all possible stripes.

A FRAIL RELIANCE.—The Barstow men, at their Nominating Convention for Senator in Dodge County, adopted this resolution:

*Resolved*, That James B. Cross, who interposed his veto power as Mayor of Milwaukee, to save the city from being involved by the issue of additional bonds for Railroads, may be relied upon to use his veto as Governor, to save the State from extravagant appropriations.

The "veto" interposed at one meeting was withheld at another, and the "additional bonds" were issued, with the Mayor's assent and approval. And when the Common Council last summer passed the Ordinance giving "extravagant" salaries to our City Officers, the Mayor, though he talked against it, had not the pluck to "veto" it. Evidently the reliance of the Dodge County democracy, is an exceedingly frail one.

"FAMILY JARS."—Senator DOUGLAS has addressed a long letter to President BUCHANAN, complaining of the unfair division of the "Federal loaves and fishes," and especially of the disproportionately small allowance doled out to Illinois. The Senator desires the President to understand that while he would be glad to see his father-in-law, Mr. CUTTS, provided for at the Federal crib, he does not wish to have the appointment charged to Illinois. To all which Mr. Buchanan thus coolly and curtly responds:

WASHINGTON, Sept. 7, '57.

MY DEAR SIR—I have received your letter of the 4th inst., by which you seem to apprehend that should I appoint Mr. Cutts Second Comptroller, this appointment might be charged to Illinois. You need entertain no apprehension on the subject. Should I make the appointment, which is not improbable, it will be my own individual appointment, proceeding entirely from my regard for Mr. Cutts and his family, and not because Senator Douglas has had the good fortune to become his son-in-law.

From your friend, very respectfully,
JAMES BUCHANAN.

Hon. S. A. DOUGLAS, Chicago, Illinois.

We do not see that "the Douglas" takes anything by that motion.

A BRACE OF K. N. WORTHIES.—The *News* and *American* invite us to deny their last proposition, which is, that the *Sentinel* is "in most dangerous, most *insidious*, &c., &c., ally of the Know Nothings." We should as soon think of denying that the moon is made of green cheese, since we are not aware that anybody entertains the affirmative of either proposition, save the K. N. twins of the *News* and *American*.

"ODOROUS COMPARISONS."—The *American* likens its late friend and fellow-laborer, the Madison *Patriot*, to a "skunk," and declines to make any further attacks upon these "pump concerns." We regret to see a coolness growing up between those quondam associates.

## The Currency.

Preston's Reporter Extra of October 9th says:

"We are compelled to raise our rates 5 per cent on Illinois, Wisconsin and Indiana (Free Banks.) Our agent in Chicago paid eight per cent yesterday on $2,000 Illinois and Wisconsin to get them into currency here.

"Eastern and Canada are now worth from 6 to 20 per cent premium over their own currency at Chicago.

"Gold and N. Y. Exchange at that place 12 to 15 per cent.—*Detroit Tribune, Oct. 9.*

The idea of Detroit brokers charging *ten to fifteen* per cent shave (as Preston's *Reporter* quotes) on Wisconsin money, is rather refreshing in these times. It may be fun for them, but it is death to those who have to bleed at this rate.

THE M. & M. RAIL ROAD DIFFICULTY IN NEW YORK.—The New York *Tribune* of Friday contains the following paragraph in relation to the seizure of the books and papers of the M. & M. R. R. Company:

The Sheriff, this morning, took possession of the entire books and papers of the Milwaukee & Mississippi Railroad Company in this city, at the instance of the President of the Milwaukee Bank, in default of the Coupons on the Income bonds—in all, some $14,000. The attachment was afterward removed.

CAUGHT.—Mr. Bartless, the alleged defaulter to the Bank of Charleston, S. C., has been arrested at Wilmington N. C., and $30,000 of the stolen $90,000 recovered. Mr. Cornrier, second teller of the Bank of Charleston, is discovered to be a defaulter to the amount of $12,000.

NEBRASKA BANK DIRECTORS.—At the recent fair held in Polk county, Iowa, the most noticeable feature of the whole exhibition was a large cage containing two ferocious wild cats, and on a placard over the cage in large letters, was the following inscription:

"*Nebraska Bank Directors*—Exhibited for the exclusive benefit of Nebraska bill holders."

VERY SENSIBLE.—The Irish depositors of the Savings Bank at Lawrence, Mass., becoming alarmed, withdrew their deposits to the amount of $15,000 and placed them in the hands of the Priest for safe-keeping, who took the whole sum directly back to the Bank and re-deposited it.

A TEMPTING OFFER DECLINED.—Professor AGASSIZ has received a tempting offer from the Emperor of France, to accept a post of high honor in that country, the Professorship of Palmontology in the Museum of Natural History at Paris, but he has declined the proffered distinction.

BEQUEST TO A FAMILY PHYSICIAN.—JOHN E THAYER, one of the "solid men of Boston," who died a few days since, bequeathed to his family physician, the venerable Dr. JACKSON, now eighty years old, one thousand dollars per annum during his own life and that of his aged wife.

GRAIN FOR EUROPE.—The New York *Tribune* of Friday last contains a list of fifteen ships loading at that port with grain for Europe. They will take, in all, about 383,000 bushels.

A SAD BUSINESS, TRULY.—The Columbia, South Carolina, *Times* thus records one of the melancholy results of sending young men to the north to be educated. It is a sad case truly;

"A highly respectable and wealthy planter in an adjoining district, sent one of his sons, an intelligent youth, to a northern school to be educated. After remaining some years, he took a religious turn—studied divinity, and was admitted to orders in the Episcopal Church. At his father's death, which took place some time after, so thoroughly had the young man's mind been fascinated by his northern preceptors and associates, that it was with the utmost difficulty he *could be prevented from renunciating the negroes that fell to him from his father's estate.* He now resides altogether at the North, alienated from the society, if not the affections, of every member of his family. Numerous similar instances have occurred, showing the danger of sending Southern youths to be educated at Northern schools."

THE HEAVY FAILURES IN NEW YORK.—The money article in the New York *Tribune* of the 9th instant thus refers to the heavy mercantile failures reported on that day:

We think the feeling in mercantile and financial circles is more unpleasant to-day than at any time since the crisis commenced. The suspension of Messrs. Bowen, McNamee & Co., and W. G. Lane & Co., wealthy and leading houses, representative houses of the Northern and Southern trade, and each showing a large surplus had a very depressing influence, and induced the question, "What house can stand when such as these are forced into suspension?" Both the above houses anticipate paying in full all their debts, the former, it is understood, showing over a million surplus, and the latter about four hundred thousand dollars. The impossibility of making interior collections, or of converting any of their assets into money, has dragged down these prominent houses with property to twice the amount of their liabilities.

WISCONSIN AND HER PRESS.—The Lake City Tribune, in Minnesota, grows quite ecstatic in praise of this State and her Press, and fairly makes us blush to have so much immaculate glory heaped upon us all at once. Coming, as it does from another State, it must be true, every word of it. We are a great State:—

There is no other State in our great and growing Confederacy which has so just cause to be proud of its position, as our elder sister on the other side the "Father of Waters." Blest with almost unlimited resources of wealth, with a population of unusual intelligence and morality; and with a noble array of free presses, she has taken and holds a position on the great moral and political issues of the day, of which any State might well be proud—a position worthy of emulation, and one which, considering the infancy of her days, gives assurance in her riper years, of a glory shadowed forth in those words of Holy Writ,—"Righteousness exalteth a nation." Every lover of freedom is proud of Wisconsin—every minion of Slavery hates her. In this relation she is second only to the Old Bay State.—Everywhere within her borders glow the fires of Liberty, and she hurls defiance, with hand unglooved, at the whole generation of ty nts.

## Ten Thousand Miners Wanted.

We hope it will be borne in mind in these "hard times," that the Galena lead mines are among the richest and most productive mines in the world—that the quantity of lead ore is inexhaustable, and only wants the labor to "bring it in sight;" that mineral is worth thirty dollars per thousand, in sovereigns, as soon as it is on the top of the ground. The suspension of the work on all the railroads in the country, and the general depression of all the great industrial interests, must throw tens of thousands of men out of employment. We say to them all, come to our lead mines—take your spades, picks and gads and go to "digging." Within fifteen miles of Galena 10,000 men can profitably employ themselves in mining this coming winter. The prices of living will be down to the lowest point, and a miner's outfit for the winter will cost but a trifle. Let no man complain of want of employment so long as our hills and vales abound in lead ore, only awaiting the hadd of industry to be converted into gold.—*Galena Adv., Oct. 6th.*

A GLANCE AT THE BUSINESS OF WHITEWATER.—In order to afford our readers some faint idea of the amount of business transacted at this point, we have procured from Mr. Strong, the Agent of the Milwaukee & Mississippi R. R. the following items:

Wheat and flour shipped from July 1 to Oct. 1, 1857:

| | | | |
|---|---|---|---|
| July, Wheat, bush. | 7,027 | Flour, bbls. | 235 |
| August, " " | 1,924 | " " | 180 |
| Sept. " " | 20,116 | " " | 415 |
| Total, | 29,117 | | 730 |

Charges on Freight forwarded from July 1st to October 1st, 1857:

| | |
|---|---|
| July | $1,251,77 |
| August | 457,05 |
| September | 1,609,45 |
| Total | $3,150,45 |

Charges on Freight received from June 1st to October 1st, 1857:

| | |
|---|---|
| June | $4,020,16 |
| July | 1,925,04 |
| August | 1,254,55 |
| September | 3,113,22 |
| Total | $10,754,97 |

The whole number of passenger tickets sold here for all points, since the 1st of August, 1857, is 1,923, including 265 tickets to the State Fair. Of this number 1294 were for Milwaukee, 85 for Prairie du Chien, 274 for Janesville, 91 for Milton, 80 for Madison, and 65 for Chicago.—*Whitewater Register.*

ICE.—On Sunday morning last a party of Surveyors reported that the water in their camp kettles was froze over to the depth of one-quarter of an inch. You had better commence to lay in for a few years supply of provisions pretty soon.—*Bayfield Mercury*, 6th.

## The Fruits of Economy in Business.

There is a concurrence of opinion among all who have given any attention to the causes of the present crisis, that much of it is due to the national fault of a wasteful expenditure of income, and an ambitious misuse of mercantile profits, too often directly trenching on Capital, and generally consuming all chance of a reserve for hard times.

We do not know what is the proportion now of the merchants who bankrupt in business, to those who succeed and retire with estates. In 1848, we think, General Dearborn, for many years Collector of the Port of Boston, stated that ninety-five out of every hundred of the merchants of that city had in the preceding half century failed. This ratio is so frightful as to staggar faith in its accuracy. But we have heard it said, that if old traders could arise from their final rest and revisit Pearl street in our commercial Emporium, and take the census of failure and of prosperity among the houses they knew when they were in trade, not five per cent of them would be found to have finally succeeded. They who have watched this ebb and flow of mercantile adventure, say that its disasters are principally due to extravagance of living. Wasteful house-keeping, personal display and costly indulgences, eat the business all hollow. It fails from emptiness, or crushes in upon the first pressure.

A sensonable illustration of the fruits of Economy, is offered by the Annuity Tables of the Life Insurance Companies, showing the aggregate amounts of the daily expenditures of small sums of money, when compounded with interest. For instance:

| Cents Spent. | Amount to in 10 yrs. | in 20 yrs. | in 30 yrs. | in 40 yrs. |
|---|---|---|---|---|
| Daily, | $1550 | $3960 | $8760 | $24,000 |
| 25's, | 960 | 720 | 1,750 | 6,500 |
| 12½, | 390 | 1,050 | 2,870 | 8,700 |
| 10, | 620 | 1,440 | 3,160 | 11,000 |
| 12½, | 650 | 1,500 | 10,000 | 14,500 |
| 25's, | 1,200 | 3,600 | 7,900 | 22,000 |
| 87½, | 2,650 | 7,200 | 15,500 | 58,000 |
| 50, | 3,800 | 14,350 | 24,500 | 87,000 |
| 87½, | 5,200 | 14,400 | 34,000 | 116,000 |
| 1,00, | 6,500 | 18,000 | 39,500 | 145,000 |

Although, there is not, accessible to every mechanic and laborer and man of business, a depository of small sums in which interest shall be compounded with principal, and therefore practically the advantages of the economy suggested by the above statement are not available, yet the results it shows will undoubtedly impress a useful lesson upon all who study it.—*Albany Eve. Journal, Oct. 9.*

## Who are the Amalgamationists?

MR. EDITOR:—Can you inform your readers why it is, that Mr. Douglas and his partisans are lately, so intensely exercised and fearfully alarmed about amalgamation? By their papers and stump speeches it would seem they seriously apprehend that, should the Republicans come into power, white women would be obliged to marry negroes, whether they like it or not.

To enable you the more readily to give the information here sought, I will refer you to the returns of the United States Census of 1850.—By that document it appears that the number of Mulattoes, in relation to population in the States mentioned below, stood as follows:

| | Population. | Mulattoes. |
|---|---|---|
| New York | 3,048,325 | 8,129 |
| Virginia | 894,800 | 79,775 |
| New Hampshire | 317,456 | 184 |
| Louisiana | 255,491 | 33,918 |
| Massachusetts | 985,000 | 2,340 |
| Mississippi | 206,718 | 20,365 |
| Illinois | 846,035 | 2,536 |
| Kentucky | 761,413 | 22,359 |

The whole number of Mulattoes in the Free States, as shown by the census, is 66,508. So it appears that Virginia has 23,272 more mulattoes than all the free States together! Republicans are not allowed to live in Virginia. Whenever any of her citizens have avowed principles of freedom, they have been mobbed out of the State.

Everybody knows how mulattoes are made. Do tell, then, Mr. Editor, which is the Amalgamation party, the "Black Republicans" or the White Democrats? N.

## Vigilance Operations at Potosi.

From the Dunkirk *Advertiser*, Lancaster *Herald* and other sources, we learn that the Vigilance Committee at Potosi, organized by some of its best citizens, some time since, after aiding in the arrest of several criminals now in jail, have taken the law into their own hands by banishing across the river a man by the name of Branstretter who was proved to have been burning up some wheat stacks, and buildings, out of revenge for having been turned off the place as a tenant. He being a Catholic and a German, the cry of religious persecution was raised and a large party of men (over 100) set out to bring him back.—The Vigilants loaded a cannon and armed themselves with firearms and other weapons and went to the landing on Grant river to prevent the coming back of their condemned, regardless of consequences. Branstretter was brought across the Mississippi, but his friends seeing the force opposed to them concluded to back out, and he was returned to Iowa. From all we can learn in regard to the matter, we cannot see ground for condemning the action of the Potosi Vigilants.—Law, as administered by lawyers and courts, has come to be of little value for the protection of society, and such associations as that at Potosi seem to be almost necessary for the enforcement of law and the preservation of order. Fortunately such movements are not "high treason" here as in Kansas.—*Platteville American.*

## Present from Mr. Buchanan to the Captain of the Ellen.

A very valuable gold pocket chronometer and chain have been forwarded to Samuel T. Sawyer, esq., Collector for Norfolk, by James Buchanan, President of the United States, to be presented to Captain A. Johnson, of the Norwegian bark Ellen, who so gallantly went to the rescue of the passengers of the Central America. The chronometer is beautifully wrought, and its mechanism unexceptionable. On the back of the inner case it bears this inscription:

THE PRESIDENT
OF THE
UNITED STATES
TO
CAPTAIN A. JOHNSON,
NORWEGIAN BARK ELLEN,
For his humane, prompt, zealous and successful efforts in rescuing persons from the wreck of the steamer "Central America,"
1857.

THE RACES YESTERDAY.—The great footrace of ten miles came off yesterday at the Cold Spring Course. At the start five Indians, Strong, Smith, Steepreck, Smoke and Bennett, and one white man, Stetson, the Pedestrian, went off. The latter fell off on the 5th round, having lost nearly a mile.

1st mile—time 5 minutes—Strong leading, Smith 2d, Bennett 4th.

2d mile—time 5:28—Strong still ahead, Smith 2d, Bennett, 3d, Stetson a long way behind.

3d mile—time 5:38—Smith ahead, Bennett 2d. The others nowhere.

4th mile—time 5:45—Smith and Bennett side by side, and going it steep. The others far behind.

5th mile—time 5:39—positions unchanged.

| | | | |
|---|---|---|---|
| 6th | do | 5:45— | do do |
| 7th | do | 5:44— | do do |
| 8th | do | 5:51— | do do |
| 9th | do | 5:51— | do do |
| 10th | do | 5:38— | Bennett ahead, Entire time 56:14. |

The race for the last six miles was closely contested, Smith being about six feet in advance of Bennett, but on the final home stretch, Bennett shot ahead and came in some five or six rods in advance, making the best time in our memory. It is two minutes better than the time made a few weeks ago on the same course.—*Buffalo Com. Advertiser, Oct. 8.*

UNITED STATES STOCKS ABROAD.—The London *Times*, in the course of a recent article, stated that the United States stocks in England were to the extent of from eighty to one hundred millions of pounds sterling, that is from $400,000,000 to $500,000,000. This must be an error; for according to the United States Treasury Report, for 1856, the total amount of American stocks held by foreigners, so far as the returns were received, amount to $202,922,937. Thus—

| | |
|---|---|
| United States stocks, | $ 5 000,000 |
| State stocks, | 72,981,507 |
| Cities and towns, | 15,462,322 |
| Counties, | 5,000,000 |
| Railroad bonds, | 93,871,000 |
| Railroad stocks, | 9,000,000 |
| Banks, | 6 688,996 |
| Insurance companies, | 378,172 |
| Canal bonds, | 1,967,547 |
| Canal stocks, | 564,960 |
| Miscellaneous stocks, | 802,720 |
| Miscellaneous bonds, | 263,773 |

It is right to add that all the returns were not obtained, but, making the most liberal allowances for absent accounts, it may be fairly inferred that the entire amount of stocks held in Europe does not exceed $250,000,000. Such at least was the impression when a previous return was ordered.—*National Intel.*

FIRES IN THE UNITED STATES.—According to a table in the New York Journal of Commerce, from the 1st of January, 1857, to the present time, 256 fires have occurred in the United States, entailing a loss $11,560,000. For the same time in '55 the loss was $13,306,000. The greatest loss was in February, two millions, while in March and April it was a million and three quarters.

☞ We doubt whether the whole history of martyrdom contains any incident more sublimely beautiful, than the following, narrated in a letter by a British officer in India:

"When the wretched 6th Regiment mutinied at Allahabad and murdered their officers, in design, only sixteen years of age, who was left for dead among the rest, escaped in the darkness to a neighboring ravine. There he found a stream, the waters of which sustained his life for four days and nights. Although desperately wounded he contrived to raise himself in a tree during the night for protection from wild beasts. Poor boy! he had a high commission to fulfill before death released him from his sufferings.

On the fifth day he was discovered, and dragged by the brutal sepoys before one of their leaders to have the little light in him extinguished.—There he found another prisoner, a Christian catechist, formerly a Mahometan, whom the sepoys were endeavoring to torment and terrify into a recantation.

The firmness of the native was giving way as he knelt amid his persecutors, with no human sympathy to support him. The boy officer, after anxiously watching him for a short time, cried out, 'Oh, my friend, come what may, do not deny the Lord Jesus!'

Just at this moment the alarm of a sudden attack by the gallant Col. Neile, with his Madras Fusiliers, caused the instant flight of the murderous fanatics. The catechist's life was saved.—He then turned to bless the boy whose faith had strengthened his faltering spirit. But the young martyr had passed beyond reach of human cruelty. He had en cred into rest."

THE "BIBLE TWANG."—Once upon a time an elderly Scotch woman gave her grandson the newspaper to read, telling him to read aloud.—The only reading aloud the boy had been much in the way of hearing was at the parish kirk, and he began to read in the exact tone in which he had so often heard the minister read. The good lady was shocked at the boy's profanity, and giving him a box on the ear, exclaimed—"Wha! dost thou read the newspaper with the Bible twang?"

Many a minister has a twang or a tone for the pulpit that he never uses in conversation. If a lawyer at the bar should address the jury in the preaching tone, he would make them laugh when he wished to make them weep. Preaching would be far more efficient in the ordinary tone, such as used between man and man; but many preachers pitch on a key so variant from their natural voice that they would not be recognized unless they could be seen.—*N. Y. Observer.*

A MODEL MAYOR.—Sometimes it is the misfortune to have an ass for a Mayor. Such was the case about twenty-five years ago with a certain city, which it would be impolite, not to say impolitic, for us to mention in this connection. He was so ignorant that the wags sent in book-peddler to him with English grammars immediately after his election; and when he declared he had no use for the books, the peddler said, "Every body tells me you must have it, too." He came into office, and took his chair in stately dignity. In a few minutes the clerk laid before him a paper, which the Mayor was requested to endorse as one that had passed under his eye. The clerk remarked: "It is only necessary that you write your initials upon it."

"*My nishuls,*" said the mayor, "what's my *nishuls?*"

Now it so happened that P was the first letter of both the Mayor's names, and the clerk very innocently replied:

"Oh sir, merely write two P's upon the back of this paper."

His honor, the Mayor, took a quill in his trembling hand, and with the perspiration on his brow, wrote, "TOO PEZE," and the document is on file in the office unto this day!

AUCTION SALE OF LOTS in 6th Ward, Wright's Addition, adjoining Sherman's. This well known addition has been placed in our hands to be disposed of to those wishing to build and improve—the only reason which we feel in the slightest value of this property, and the knowledge we have of the demand which exists for it, induces us even at this time to offer it at such low figures.
Every lot in the ward is perfectly familiar with the location of these lots. They have hitherto been sold on a credit of one, two and three years—but owing to the scarcity of money, notwithstanding at superior advantages, we have resolved to sell them for cash, and in consequence of the urgent demand for money on the part of the residue of the property, induced him to offer a portion of them on terms which will include every one who wishes to build purchase, and thus put themselves many per cent by the enhanced value will be given by their immediate improvement. Five acres of this property, 80x200, is of itself a great consideration to persons intending, as it should, to raise their own cabbages and other vegetables, which will repay the labor bestowed on them.
